

**JOURNAL**  
**OFFICE OF LEGISLATIVE COUNSEL**

**Friday - 9 July 1965**

1. [ ] In connection with the Agency's position on the administrative leave provision of H. R. 6277, arranged with Miss Patricia Peak, personal secretary to Representative Wayne L. Hays (D., Ohio), for a meeting with Chairman Hays at his office, Room 2264, RHOB, on Monday, 12 June 1965, at 3:30 p.m. Miss Peak requested that the meeting be confirmed Monday morning and that I advise her of the names of the Agency representatives who will be attending. 25X1
2. [ ] Due to the unavailability of Mr. Phillip S. Hughes, Assistant Director for Legislative Reference, met with Messrs. Herbert N. Jasper, Assistant Chief, Office of Legislative Reference, and Mr. Don Smith concerning our former report on H. R. 6277. Mr. Jasper was interested in whether the Committee had solicited this report. I informed him that it had not, but that we were deeply interested in the passage of the two benefits of general applicability on which we are commenting. For this reason, we were interested in submitting our views even though they had not been solicited. All indications are that the Bureau of the Budget will approve the report either today or Monday so that it can be delivered to Chairman Hays at the 1:30 meeting which has been set up. 25X1
3. [ ] Talked with Mrs. Garziglia at the Bureau of the Budget in an attempt to find out who is handling the clearances on Senator Eastland's defector bill, S. 2131, and whether any Agency comments have been approved for release to the Senate Judiciary Committee and was informed that they had no record of any Agency comments as of that time. Mrs. Garziglia suggested that I contact Mr. James Hyde concerning this matter, which I will do. 25X1
